David: I know your working on getting the final out. Shawn asked that I send it out this morning - but I was not in the office till now.... Dennis thought that it coming from you it would get the attention of HQ management - I would like to get it out asap, as we need to get final approval, so we can start calling residents this afternoon. If you don't have a concern, I would like to send out the following note:

David will be sending out the final desk statement, talking points and Q&As for the fourth and fifth weeks results shortly. We would plan on calling residents later this afternoon to schedule appointments to deliver their results. Please let me know asap, if there is any concern with us doing so.

Thanks

Ron
